Steven, if you can help do schedule check Monday that would be great. If our folks are out, I'm not sure if folks from other divisions eg enf could be called upon. Thanks!

Hello all:

Thanks for all your assistance this week so that we are able to move forward with cleaning and testing.

My understanding is, based on information that you sent to us, you need 72-hour notice for the verification testing that is to be done post-cleaning so that the EPA can send a representative from Region IX, San Francisco to be on-site.

That testing will be scheduled for January 2<sup>nd</sup> and 3<sup>rd</sup> 2014. We wanted to give you ample time to arrange for your representative to be there.

Please let me know if you need anything else.

Happy Holidays!  
Sandy
